

DuraTech 10" – 16" Chimney Cap

DuraVent® DuraTech 10" – 16" chimney caps have a new space-saving design that makes cleaning easier due to no loose hardware and a twist-off top. The new mesh design increases strength while decreasing package size. By saving as much as 5 inches in diameter, the new caps fit better when used with shrouds.

SIZE	ORDER #	STOCK #
10"	10DT-VC1	810014053
12"	12DT-VC1	810014054
14"	14DT-VC1	810014055
16"	16DT-VC1	810014056
